राम ३७९ ॥ पदराग केदारा ॥ राम

सतगुरु तारेगा मुज आण

**Satguru the savior**

सतगुरु तारेगा मुज आण ॥

राम बिसवा बीस इकीस ऊपर ॥ ओर हजार जाण ॥टेर॥ राम

राम My Satguru will surely rescue me from this ocean of immense sorrows, not a  
राम hundred percent but a hundred and one percent, not a hundred and one but a  
राम thousand percent.

गोत हमारे रामसनेही ॥ संगत सेण बखाण ॥

राम गेलो निज पंथ ज्ञान उजागर ॥ पवन गजले ढाण ॥१॥ राम

राम Ramsnehi (one who chant the name RAM given by Satguru), this is my family. All  
राम the satsangis (one who follow the Saguru 's teachings) are my well-wishers,  
राम meaning they want me to cross the ocean of the worldly desires. By the grace of  
राम the Satguru's knowledge, the path to the original home which leads through the  
राम breath has been opened up for me, so I walk on that path at the speed of an  
राम elephant.

पेम हमारे परमसनेही ॥ सोऊँ भाव पिछाण ॥

राम सुरत हमारी आद सरीरी ॥ भेद गेहे तत्त छाण ॥२॥ राम

राम My love and devotion for the Satguru is my dearest friend. My attention (surat),  
राम which takes me to the true home, is my ideal wife. This wife (in the form of surat),  
राम by discriminating the truth (tattvas), attains the knowledge of the Paramttata  
राम (supreme truth).

ज्ञान बिज्ञान बिचार बिधरे ॥ मत मेहमत तत्त छाण ॥

राम जन सुखराम भाग सुं पावे ॥ या बिध सतगुरु जाण ॥३॥ राम

राम In this way, to cross the ocean of worldly desires, according to the methods of the  
राम knowledge of true science, my opinion is to discriminate the element of  
राम renunciation. Satguru Sukhramji Maharaj said, the method of filtering the truth and  
राम the method of finding a Satguru are manifested by the fortune of the past.
