राम ३१६ ॥ पदराग कल्याण ॥ राम

साधो भाई समझ सोच रहो गाढा

O Saint, think wise, deeply, understand and remain firm.

भेदी बीना बात मती मानो ॥ सब ही फिरत हे आड़ा ॥टेर॥

राम O Saint, except for a saint who knows the path to the immortal realm do
राम not heed the words of any other enlightened, meditative, or
राम accomplished being, including Brahma, Vishnu, Mahesh, Shakti,
राम avatars, Om, or Soham, who claim to lead you to Amarlok (the eternal
राम realm). All of them obstruct one's attainment of supreme liberation
राम (param moksha) or keep the soul from reaching it. Therefore, oh saint,
राम understand this, ponder it deeply, and then stand firm and unwavering.
राम Listen only to the one who knows the secret path.

आपो खोज आप नहीं चीनिया ॥ तब लग माया पूजे ॥

बंक नाळ होय उलट न चडीया ॥ जब लग नाव न सूजे ॥१॥

राम Until you discover the Brahma within yourself, that is, until you realize
राम that the Supreme Brahma resides in your own Brahma, or that the
राम Supreme Lord resides in your own soul, you are engaging in the worship
राम of Maya, just like all the other living beings in the world who will never
राम attain liberation. Understand this. Until you ascend the tenth door by
राम turning back through the Banknaal (spiritual path passing through spinal
राम cord) within your own body, you will not be convinced or believe that the
राम Supreme Lord resides in the Brahma i.e. soul of your own self.

भ्रमावण कूं से कुळ जग हे ॥ स्मझावे जन बिळा ॥

छुछम बेद के भेद बिना रे ॥ सब माया का किरळा ॥२॥

राम Satguru Sukhramji Maharaj says that all the people of the world, whether
राम they are men, women, scholars, meditators or even Brahma, Vishnu,
राम Mahadev, Shakti, etc., they think that there is not a bit of the sorrow of
राम death angle in the devotion of Maya. On the contrary, they believe that
राम the method of removing the sorrow of death angle and giving eternal
राम happiness is the devotion of Maya. They spread the illusion in the world
राम that there is no other devotion except the devotion of Maya that can
राम remove sorrow forever and give happiness.

राम They do not know even a bit of the subtle secret of the supreme bliss of
राम the supreme Lord. Satguru Sukhramji Maharaj says, the whole world is
राम there to delude the soul, but there are very few saints who can enlighten.
राम Therefore, the knowledge of all these is just a useless clamor that comes
राम out of the mouth of death angle. It is not the real knowledge of supreme
राम liberation that comes out of death angle.

राम ॥ राम नाम लो, भाग जगाओ ॥ ॥ राम नाम लो, भाग जगाओ ॥ राम

राम बावन हरफ बेद का कहीये ॥ ओऊँ अजपो ऊला ॥ राम

राम अबगत अलख निरंजण गावे ॥ भेद बिना सब भूला ॥३॥ राम

राम Satguru Sukhramji Maharaj says that all the rituals, mantras are made
राम up of the 52 letters mentioned in the Vedas are Maya, and Om one of
राम the resonances is also Maya. And that which is not chanted, such as
राम Ajappa, is the ParBrahm (death angle). This death angle as creator
राम (ParBrahm) unites with Maya and creates the universe, and when time
राम comes, becomes death angle and consumes the universe. Thus, this is
राम the real Maya.

राम Some knowledgeable and meditative people call this ParBrahm, the
राम eternal God, as Gyani (knowledgeable), Dhyani (meditative), and
राम Avigyat (unknown), while others call it "Gyani, Dhyani, and Alkh
राम (invisible), and some call it Gyani, Dhyani, and Niranjan (without flaws,
राम pure), and consider it to be a renunciate beyond Maya. However, these
राम knowledgeable and meditative people do not understand that this Gyani,
राम Dhyani, and Avigyat, the eternal ParBrahm God, is the real Maya that
राम creates the universe. Due to their inability to understand the secret of
राम Satnaam (true name), these knowledgeable and meditative people have
राम been lost in the Vedas, Shastras, Puranas, Om, Soham, Ajappa,
राम ParBrahm-Honnkal(death angle).

राम ब्रम्हा बिस्न महेशर सक्ती ॥ येहे च्यारुं ने धारा ॥ राम

राम अडवां फाड निसरे बारे ॥ सो जन उतरे हे पारा ॥४॥ राम

राम Due to the forgetfulness of the true name (Satnaam), all the men and
राम women , knowledgeable and meditative people of the world have
राम embraced Brahma, Vishnu, Mahesh, and Shakti. However, they fail to
राम understand that these very deities are obstacles in the path of attaining
राम ultimate liberation (Param Moksha).

राम Just as birds refrain from eating the grains in a field because of
राम scarecrows, assuming it as humans and fly away even when hungry.
राम Those birds realize that these scarecrows are not real humans but mere
राम effigies of straw, dwell in that field and satiate their hunger with the
राम grains.

राम Similarly, when the soul, having experienced the 84 lakh yonis (cycles of
राम rebirth), enters the human body, it can attain the fruit of ultimate
राम liberation (Param Moksha). However, Brahma, Vishnu, Mahesh, and
राम Shakti act as obstacles, just like scarecrows in a field, preventing the
राम soul from consuming the fruit. In same way these deities Bramham,
राम Vishnu and Mahesh do not allow to eat the fruit of seeking the ultimate
राम liberation (param-moksha). As the birds which do not get scared of the
राम scarecrows and eat the grains happily, in the same way one who do not

राम ॥ राम नाम लो, भाग जगाओ ॥

॥ राम नाम लो, भाग जगाओ ॥

राम

राम get scared of these deities they will give trouble if not worshiped will
worship the supreme Lord the Satswarup and attain ultimate liberation.

राम

राम भणिया खरा गुण्या नहीं कोई ॥ जब लग काम न आवे ॥

राम

राम के सुखराम भेद बिन भजीयाँ ॥ प्रममोख नहीं पावे ॥५॥

राम

राम The Vedas of Brahma, the scriptures and Hatha Yoga of Shankar, the
Navavidya devotion of Vishnu, the swan of Shakti, the Puranas of Ved
राम Vyas, etc., have been read and understood many times, and it has been
राम understood that the knowledge of these 52 letters, Om, Soham, Ajappa
राम does not lead to ultimate liberation it is understood with discrimination.
राम Reading and understanding all these are of no use in attaining liberation.
राम Satguru Sukhramji Maharaj says that the knowledge of the secrets of
राम Satnaam, the causes of 52 letters, Om, Soham, Ajappa, Brahma,
राम Vishnu, Mahadev, Shakti, avatars, in which there is no secret of ultimate
राम liberation, will not lead to ultimate liberation by worshipping such
राम knowledge.

राम Ultimate liberation can be attained only by worshipping Satnaam.
राम Therefore, all saints who desire ultimate liberation, understand and
राम consider that the causes of 52 letters, Om, Soham, Ajappa are Maya
राम and there is no method of attaining ultimate liberation in them, and do
राम not believe in the words of any Maya or knowledgeable, meditative men
राम and women of Brahma, except for those who know the secret of ultimate
राम liberation.
